

DOA-WLIA-LION Monthly Meeting 4-1-09

(Rough notes from Kelly Felton)

Meeting started just around 10am

Not much new to discuss. Current Grant Application deadline is June 16, 2009. DOA is able to provide Base Budget funding to the \$50,000 level. That is good news and counties who qualify will all be given to that level.

DOA has \$72,000 extra available to fund to the \$50,000 level. There may be about \$300,000 left in that fund account.

Peter Herreid and AJ will be presenting a survey analysis to DOA and discussion of the GIS Inventory (formerly Ramona). They will finalize the report and put it on the web. Maybe in a couple weeks it should be done. Good data and feedback from the input. The report will be available in PDF format on the DOA site. Powerpoint and maps too. This will be good data for the 2010 Land Information and Modernization plans updates.

Meeting only lasted about 15-20 mins.
