

Wisconsin Land Information Association

The “Local Government Achievement” Award Nomination

The “**Local Government Achievement Award**” is given to a local, municipal, tribal, county government or consortium that has implemented modernization using WLIP funds in such a way as to exemplify the goals of the program in the following areas:

- Innovative applications (best bang for the buck)
- Local data sharing with statewide accessibility
- Cooperative agreement

Please complete the form below with information about yourself and the individual or organization that you would like to nominate for an “Local Government Achievement Award” Award.

In addition, please attach a nominating statement of 500 words or less describing how the nominated organization has contributed to WLIA activities and/or the advancement of the Wisconsin Land Information Program, and why they are particularly worthy of this award.
