

Wisconsin Land Information Association
2019 Pre-Conference Workshop
Acquiring Lidar for Transportation Design

Brief Description:

Learn how to successfully acquire and use LiDAR services and data for your transportation design projects. We will give tips and pointers on how to choose the acquisition method to fit your project needs and how to communicate those needs to your mapping consultant to make sure you get the level of detail and accuracy you need to support your project design.

Instructor:

Matt Vinopal - Ayres Associates

Location:

The workshops will be held on Wednesday February 20, 2019 at the Red Lion Paper Valley Hotel in Appleton, WI.
