

Wisconsin Land Information Association
2019 Pre-Conference Workshop
GIS Programming with R

Brief Description:

This workshop will use the R Project for Statistical Computing (R) and RStudio in a programmatic approach to GISystems. Topics covered will include mapping and visualization, geoprocessing operations, spatial statistics, and web mapping. No prior experience with R is necessary.

Instructor:

Matthew Haffner - University of Wisconsin-Eau Claire

Location:

The workshops will be held on Wednesday February 20, 2019 at the Red Lion Paper Valley Hotel in Appleton, WI.

Time:

Morning workshop, 9:30am to 12:30pm

Who Should Attend:

Those interested in automating tasks, handling large spatial datasets, creating a reproducible workflow, or exploring new ways of approaching GIS.

Items Needed for Workshop:

Bring your own laptop/device with the ability to access a browser.

Cost:

Members

Half Day (3 hours) = \$75

Non-Members

Half Day (3 hours) = \$90
