Six Regional 9-1-1 Meetings January 28th-February 1st, 2019

ABOUT THE MEETING

Please join us for the Wisconsin Office of Emergency Communications’ Regional 9-1-1 Meetings! The purpose of these meetings is to provide a brief overview of the Wisconsin Office of Emergency Communications and the NextGeneration9-1-1 (NG9-1-1) program, discuss next steps for the program and how they may impact the 9-1-1 stakeholders in the state, and walk through the upcoming 9-1-1 system assessment survey. These meetings will be important for all communications stakeholders that are involved in 9-1-1 services in Wisconsin, with the ultimate goal of gathering information that will be essential for the state to begin moving forward with advancing technology in the 9-1-1 centers.
